Team requested that I reach out to you to ask if you have any time to lend your thoughts on an approach to triage the outstanding DRMs (see attached). As noted in emails below, currently there is a core team that includes RAB Ex. 6 Personal Privacy (PP) and RMB Ex. 6 Personal Privacy (PP) that are meeting to develop high level approach but it would benefit from getting additional feedback from senior person like yourself.

Feel free to say "No" if you're busy wrapping up work before the end of the year. Thanks in advance for your consideration.
